Note

Under date the 21st April '0 the Private Secretary to H. H. the Maha Rani Regent of Mysore wrote to the Pala[ce] Controller as follows regarding the Palace Bandsmen's health Camp and Lines: ..

" As you are aware the Dewan ha[s] decided that the cost of the Lines to b[e] built on a site approved of by His Hig[h]ness should be met from State funds to b[e] provided in next year's P. P. "As regards any houses in the town which may be private property of any Bandsmen the Dewan approved of a proposal which I made to him in person, namely that the Municipality should purchase them at a fair valuation, and deal with them in such a manner as will tend to relieve the congestion in the localities in which those houses are situated. This is from a sanitary point of view (vide serial no 8/a) Flag A

2 The Palace Authorities having addressed the Vice-President in the matter, the latter Officers replied Sl 8/073/1/02 that the proposal, if carried out, would considerably improve the sanitation of the locality, the only drawback being the impoverished condition of the Municipal exchequer and that he had however, received no instructions from Government on the subject. (vide Flag B. serial no 8/c) Flag B

3 In May 1902, the Private Secretary to H.H. the Maharanee-Regent forwarded Copies of the above correspondence and requested that the Dewan's sanction might be obtained to bringing up the houses of Sl 8/073/5/02

the Bandsmen in the City.

The matter did not come up as a municipal matter. Only the P.W. & Palace were named. After the Private Secretary's reference was received, a reference was made to the President for report & this was considered (I submit rightly) as routine.

As it has to be decided whether municipal or State funds shall bear the charge of the work to be taken up, the paper was sent up through the 2nd Councillor

I have no recollection of any conversation with Colonel Campbell about the purchase of their handsome house - but as it happens recorded what gentleman I have probably forgotten all about it

The Municipality may now be asked as ~~to~~ whether the elimination of these houses is necessary for the sanitation of the locality & if on that ground Municipal aid is not necessary whether the houses may be resold & if so with what reselling value

I think the two fold object in view is welcome the Municipality as well as to improve the sanitation - To form a decision on this point the information above mentioned is wanted.

To

SECRETARY TO THE GOVT. OF MYSORE,
REV. & GEN. DEPTS.

Sir,

With reference to your docket No. 13301-L.3.26-00 dated 16 March 1903 requesting to state whether the removal of Bands-men's houses is necessary for the sanitation of the locality and whether they may be resold and whether such a resale will result in any and what amount of loss, I have the honor to state that the removal of the Bands-men's houses will be a great sanitary improvement but it

it is not absolutely necessary to re-
move them for the sanitation of the
locality.

The houses being of flimsy
materials, are not likely to fetch at a
sale even the amount that may be paid
as compensation to the owners. It is
not now possible to state exactly or
even approximately the amount of loss
that may result by a resale of the
houses.

I have the honor to be,
Sir,
Your most obedient Servant
[illegible]
Dor President
